

If you are looking for the Horcrux Socks pattern, I have removed it from this site because I discovered my copyright was being violated.

Because of recurring problems with copyright violations, I no longer offer any of my free patterns in PDF format. If you would like the instructions for the Horcrux Socks, please visit my blog: <http://knittingasfastasican.com>

The directions were given seriatim style over a one-week period beginning on February 4, 2007. Please note, I do not provide pattern support for my free patterns.
